Manufacturer's Representative/Regional Distribution Line Card

EAT•N	> Single-phase and 3-phase UPS systems > Power Distribution Units > Rack Power Distribution Units (ePDU) > Service contracts and battery replacements > Data center enclosures and airflow management solutions > Modular office and laboratory furniture	MN
GENERAC® INDUSTRIAL POWER	> Diesel generators 10 kW – 2mW > Natural gas generators 10 kW – 700 kW > Bi-fuel generators 500 kW – 600kW > Modular power systems 300 kW – 200mW > Automatic transfer switches > Mobile generators, pumps and light towers	IA, MN, NE
C&D TECHNOLOGIES Power Solutions	> Batteries for stationary power applications > Utility, telecom and UPS battery solutions > Solar and wind battery solutions	MN, ND, SD, NE, WI, MI, Northern IL, Western IA, Western MO
UNIPOWER POWERING TECHNOLOGY	> Telecommunications DC power solutions > Industrial DC power solutions > Battery chargers > Inverter systems	MN, ND, SD, NE, WI, Northern IL, Western IA, Western MO, MI U.P.
Current Technology	> Surge protection devices > Surge protection testing	MN, ND, SD, Western WI, Northwestern IA
HITEC Power Protection	> Diesel rotary UPS systems (DRUPS) utilizing flywheel storage > Turn-key projects that secure uninterruptible, continuous and conditioned power supply for critical processes and loads	MN, ND, SD, WI
HM CRAGG *critical power +* | Services	> Serving telecom, UPS and energy & infrastructure markets > Turn-key DC installations, removals and replacements > Battery preventative and corrective maintenance services > Integration services	Midwest Region
ENVIROGUARD Global Compliance Solutions	> Only patented, UL listed, NEBS-approved spill containment system on the market > Complete line of safety equipment/supplies for battery rooms	MN, ND, SD, WI, IL, MI, NE, KS, IA, MO
MIDTRONICS Advancing Battery Management	> Battery testers > Battery monitoring systems	MN, ND, SD, WI
PLUG POWER	> Stationary fuel cells	MN, ND, SD
